

Institute of Waste Management of Southern Africa

ENDORSEMENT OF PRIVATE EVENTS

A process to use as a decision making tool to decide whether the Institute of Waste Management of Southern Africa should consider or not to endorse private commercial events

1. Is there a benefit to the IWMSA or its members?
2. Is the event detrimental or in opposition to the objectives of the IWMSA?
3. If no conflict of interest (to be determined by the President in consultation with the Vice President and Executive Officer) then the IWMSA can endorse the event for an amount of R10 000.00 which is negotiable.
4. This gives the organisers the right to:
 - ◆ use the logo and qualification "Endorsed Events"
 - ◆ IWMSA members receive a discount to attend the event.
 - ◆ IWMSA receives free access to advertise via a stand or pamphlets.
 - ◆ IWMSA is allowed two free delegates to attend the full event.
 - ◆ The President will be willing to attend and address for an additional fee of R5000.00 plus and travelling and accommodation expenses.
 - ◆ WasteCon name or business is not used or affected in any way.
 - ◆ Patron members of the IWMSA may not be used as endorsement or advertisers.
