

PLENARY SESSION: NATIONAL WASTE MANAGEMENT STRATEGY

Project Structure and Capacity Development as Part of the NWMS Implementation Programme (002) Matjila, J. and Joubert, M.G.	1
The Development of an Integrated Waste Management Plan for a Commercial/Industrial Complex: A Case Study (075) Godfrey, L. and Davids, J.	11
Gearing Up for Efficient and Effective Pollution and Waste Management Enforcement (003) Lukey, P.J., Brijlall, A. and Thooe, M.	21

PLENARY SESSION: INTERNATIONAL PERSPECTIVES

Waste Management in Bali (008) Eden, R.D.	31
The Database for Waste Management Planning in the Silesia Province, Poland (009) Malina, G.	41
Landfill Gas Recovery: South Africa's Low Hanging Fruit for Carbon Credits Trading (004) Lee, C.A., Plourde, D.M. and Bogner, J.E.	52

PLENARY SESSION: SOUTHERN AFRICAN PERSPECTIVES

A Bird's Eye View of Healthcare Waste Management in Botswana (005) Moalosi, L.N. and Molao-Chikanda, R.N.	61
Waste Avoidance: Key to Sustainability (006) Moeletsi, J.M. and Novella, P.H.	71
A Proposed Framework for Sustainable Waste Management in the City of Johannesburg, South Africa (007) Otieno, F.A.O. and Venter, C.	80

CLOSING SESSION

Polluters, Poor People and Plastic Mountains: Worming Away at Dominant Value Assumptions about the Generation and Disposal of Waste (125) Hattingh, J.P.	92
---	----

COMPOSTING AND WASTE PROCESSING

An Evaluation of the Dome Aeration Method for Local use (091) Magongwa, T., Vorster, K. and Forbes, P.	94
Co-Processing of Waste in Cement Kilns (027) Meyer, J.J.	105
Co-Incineration of Industrial Wastes in Fluidised Bed Utility Boilers (026) Lorber, K.E., Ragossnig, A.M. and Tesch, H.	115
Valorisation of Municipal Waste by Means of Composting Technology: Phytosanitary use of Compost By-Products (032) Seck, M.A. and Djimtola, D.W.	125
How to Achieve a +50% Waste Reduction Goal for MSW (Aiming at Zero Waste) (024) des Ligneris, J.	131
Implementation of a Composting Pilot Plant in Phnom Penh, Kingdom of Cambodia (034) Klauss-Vorreiter, A., Schweizer, F. and Phalla, S.	134

ENVIRONMENTAL PROCESSES

Investigating Odour Sources and Odour Emission Rates from Landfills through Direct Communication with Residents (065) Roebuck, D., Stretch, D. and Strachan, L.	143
Modelling of Arsenic Removal by Coagulation (084) Rubidge, G.R., Vorster, N. and Zeelie, B.	149
A Review of the Establishment and Operation of Landfill Monitoring Committees in KwaZulu- Natal: "Lessons Learnt from Fingers Burnt" (064) Philip, R.A. and Pillay, R.K.	161
Non-Applicability of the Toxicity Characteristic Leaching Procedure to Characterise Wastewater Sludge (066) Snyman, H.G. and Kasselmann, G.	168

HANDLING, COLLECTION AND TRANSPORT

The Correct Tool for the Job: Experiences in Vehicle Selection (063) Parkin, J. and Groep, D.J.	179
The Occupational Health and Safety Act – How will we Comply? A Waste Industry Perspective (057) Brits, J.N.	185
Transportation of Waste as Part of a System of Integrated Waste Management, and Tools for Evaluating the System (038) Barnard, E.	194
Waste Collection Strategies for High Density, Low-Income Areas: Case Study of Johannesburg, South Africa (062) Otieno, F.A.O. and Venter, C.	202

HEALTH CARE RISK WASTES

Lessons Learned from the Sustainable Management of Health Care Risk Waste Project in Gauteng (025) Kristiansen, T. and Fischer, D.	211
Good Segregation in Health Care Waste Management: How can it be Achieved? (068) Magner, J. and Mpela, N.M.	221
Health Care Waste Management as Part of the NWMS Implementation Project (030) Otto, J.B., Molefe, S., Mvuma, G. and Gcwensa, Q.	232
Health Care Risk Waste Management in KwaZulu-Natal: A DWAF Perspective (031) Pillay, R.K. and Philip, R.A.	243

INTEGRATED WASTE MANAGEMENT PLANNING

The Development and Implementation of South Africa's First Provincial Waste Information System (036) Godfrey, L., Furniss, P. and Nørby, E.	252
Paving the Way Towards Integrated Waste Management in Potchefstroom (041) le Roux, E.	262
Regulatory Policy Instruments for Waste Management: The Zambian Experience (044) Mwango, D.	273
The Pikitup Story: Pikitup Johannesburg (Pty) Ltd (093) van Aswegen, F.P. and de Beer, R.S.J.	281
Provision of Sustainable Waste Management Services through Municipal Service Partnerships (069) Legg, P.A.	290
City of Cape Town: Development of an Integrated Waste Management Plan (010) Coetzee, J.A., Gates, A. and Loots, W.	299
Establishment of an Integrated Waste Management System in Rural Umkhanyakude, KwaZulu Natal: The Jozini Recycling Centre (077) Green S.C., Mokoena, K.S., Majozini, Y. and Fasheun, T.A.	309
Information Technology - Integrated Waste Management (071) Brummer, J.G.	317
A Case Study on the Consideration of Alternatives for Integrated Waste Management (019) Marais, F.J., Copeland, A. and Wates, J.A.	327
Assistance in Waste Management in The Greater Maputo Area in the Context of Mozambican Democratization and Decentralization Process (023) Hunger, G. and Stretz, J.	337
Safe Passage: Case Study at The Guatemala City Landfill (048) Lee, C.A.	346

LANDFILL GAS AND GREENHOUSE GAS EMISSIONS

Harnessing Landfill Methane to Address Global Warming and Renewable Energy: An Overview of the Durban CDM Landfill Gas to Electricity Project (022) Strachan, L.J., Couth, B. and Chronowski, R.	351
Kyoto Protocol Carbon Trading and Opportunities for Landfill Gas Projects in South Africa (074) Friedenthal, J., Kristiansen, T. and Malmendorf, T.	359
The Estimation of Landfill Gas (LFG) Emissions using the Landgem and Hofstetter Gas Yield Models at the Bisasar Road Landfill (081) Liphoto, L.E., Diab, R.D. and Lombard, R.	371
Reducing Greenhouse Gas Emissions through Landfill Gas Recovery in South Africa (016) Bogner, J.E., Lee, C.A., Chanton, J. and Spokas, K.	385
Landfill Gas Energy Potential, Bellville South Waste Disposal Site, Cape Town: A Case Study (017) Coetzee, J.A. and Dracoulides, D.	393

LANDFILL PROCESSES

Landfill Site Selection (037) Ball, J.	403
The Determination of Landfill Daily Cover Requirements and the Benefits of Bio-Degradable Geosynthetic Covers (040) Cherrington, M.J. and Jewaskiewitz S.M.	411
Evaluation of the Water Retention of a Landfill (097) Vorster, K.	423
Investigation, Design and Monitoring of the Excavation and Relocation of a Portion of the Panorama Landfill, Gauteng (070) Badenhorst, D.B., Venter, J.P., Saner, M. and Wicking-Baird, M.	431
The use of Field Capacity Testing of Waste Streams as a Management Tool for Co-Disposal Landfill Sites (012) Shamrock, J., Palmer, M., Havinga, M. and Fourie, A.	438

LEACHATE TREATMENT

Full Scale Landfill Leachate Treatment in South Africa: The Use of Aerobic SBR Processes and Reed Bed Systems (051) Novella, P.H., Haider, S., Strachan, L., Robinson, H. and Last, S.	447
Pilot Plant Treatment Trials Conducted on the Treatment Options for the Holfontein Leachate (047) Gombault, E. and Skews, J.	457
Design and Operation of Cost Effective Leachate Treatment Schemes at UK Landfills: Recent Case Studies (052) Robinson, H. and Olufsen, J.	468

RECYCLING AND REUSE

Waste Reclamation in the Johannesburg Metro (046) van der Walt, M.L. and Liebenberg, C.J.	485
Bins Bags and Baboons Waste Collection and Recycling Initiatives in the Overstrand (042) MacFarlane, R., Serfontein, M.J. and Bartman, M.	498
Informal Recycling in Durban Lessons Learnt and Realities of the Issue (043) Mkhize, M.S., Makhetha, A.T. and Jona, T.	505
Recycling of Municipal Solid Waste in Poland: The Status and Comparison with the EU Practice (045) Zabochnicka-Swiatek, M. and Malina, G.	515
Improving Rural Waste Disposal Case Study: Lebowakgomo Rural Settlement (092) Phiri, A.H., Vorster, K. and Otieno, F.A.O.	525
First Commercial Experiences with a Biomass Fluid Bed Gasifier Plant for a Romanian Sunflower Oil Company (072) Waanders, J., de Kant, E. and de Koningh, H.	532
Recycling at Home (086) Patten, R.	538

REMEDIATION AND REHABILITATION

The Remediation of the Westville Landfill, Durban, South Africa (122) Mannie, N., Shamrock, J. and Gombault, E.	542
The use of Woodchips for the Organic Amelioration of Platinum Tailings (055) van Rensburg, L., Morgenthal, T.L. and Claassens, S.	549
Current Trends in Financial Provision for Mine Closure (095) Brown, S.A.P. and Wimberley, F.R.	564

WASTE MINIMISATION

The Benefits of Applying Cleaner Technology in Integrated Waste Management (028) Mokoena, K.S.	575
Waste Minimisation in the Mining Industry – The Case of Orapa and Letlhakane Mines (029) Ntlhayagosi, T.K.	585
The Role of Green Procurement Policies in the Minimisation of South African Municipal Waste (035) Wessels, J.A.	590
Development of a Waste Management Strategy for AngloGold Ashanti Limited (033) Seed, N., Haycock, C. and Plomp, H.	600
Arts and Crafts from Waste as a Contribution to Waste Minimisation and Sustainability (056) le Roux, J. and Ross, W.	607
Experiences of Taking Law into Practice by Means of Package Recycling (058) Gerke, G. and Pretz, T.	613
Cape Town: A Pioneer in Waste Minimisation (061) McDillon, D.C.	622
Tracing the E-Waste Stream in Gauteng, South Africa (060) Lombard, R., Widmer, R. and Hecke, J.	633

The Socio-Economic Impact of the Implementation of the Plastic Bag Regulations: A Case of Waste Recycling for South Africa (049)	
Moatshe, R.A.....	646
Zero Plastic Waste in South Africa: The Environment- Industry Interface (050)	
Nhamo, G.....	653
Waste Minimisation at Columbus Stainless (054)	
van Tonder, J.D.....	663

POSTER PRESENTATIONS

Integrated Waste Management: Information and Communication (119)	
Brummer, S.W.....	672
Treatment of the Aloes Leachate by Reverse Osmosis: Pilot Plant Testing (076)	
Gombault, E., Skews, J.K. and Botes, J.P.....	680
Triple Line Reporting and Business Sustainability (078)	
Hambloch, R.E.....	685
Landfill Weighbridge Control Systems (079)	
Harris, D.....	695
240l Bin Health Care Risk Waste System (080)	
Harris, D.....	699
Development of the Mavoco Hazardous Waste Facility in Mozambique (085)	
Legg, P.A.....	704
Utilisation of Sieve Rejects from Mechanical-Biological Pre-Treatment of Household Waste in Cement Industry (082)	
Lorber K.E., Glinz, H.J. and Tesch, H.....	705
Overstrand – National Winners of the Cleanest Town Competition for 2003 – A Partnership between Waste Management and Environmental Care (090)	
MacFarlane, R. and Serfontein, M.J.....	716
The Results of a Waste Minimisation Study at an Air Conditioning Company (083)	
Brown, N.J., Blomquist, P.A., Spankie, S.A.A. and Moodley, K.....	723
Waste Minimumisation through Organic Waste Composition (124)	
Redelinghuys, E.....	731
