More information:

This year the IWMSA KwaZulu Natal Branch is proud to announce that we will be supporting the Litter4Tokens campaign. The aim of the Litter4tokens campaign is to instill pride and put respect back into the community by encouraging hard work and in turn help feed and clothe families through donations. Community members collect recyclable material and are rewarded with tokens to exchange for food or goods at the token shop at Ithemba Labasha. Each bag of squashed recyclables brought into the centre on a Thursday gets one token. Dolphin Coast Waste Management collects the full bags on Fridays and the token shop is open on Saturday mornings. The token shop is stocked by the community as well as sponsors such as Olala Interiors, private donors, Dolphin Coast residents and parents from Ashton International College.

The golf competition will be in the form of a Four Ball Alliance - two scores to count on all holes. The best player of the day will be awarded a trophy and the winning team will receive a floating trophy.
