**Moving towards a Circular Economy**

The IWMSA's Western Cape Branch invites you to our "forward thinking" full-day seminar on 15 February 2018 at the Sports Science Institute, Newlands, Cape Town.

The day's discussions will encourage attendees to rethink the waste management sector, and to envision a materials management system that is regenerative and restorative in its design.

Please note that there are limited seats available. Book now to avoid disappointment!

**Seminar topics:**

- The Problem with "Waste" - Back to the Basics of "Why"
- Introduction to "Systems" and "Systems Thinking"
- Causes, Symptoms and arising Problems and Consequences
- The Bigger Picture of "Pollution and Waste" and Going Beyond

- System Design Optimisation Tools
- Learning from the Best: Original Thought from Global Visionaries
- Circular Economy in Action: International and National Case Studies
