

Institute of
Waste Management
of Southern Africa

Leading authority on
integrated & professional
waste management

Who are we?

The Institute, a non-profit organisation is made up of voluntary multi-disciplinary professional members and was established to promote the science and practice of waste management.

Vision: To be the leading organisation supporting the waste and secondary resources sectors in Southern Africa to achieve **a clean and healthy environment.**

Mission: To support and promote sustainable best practice in the waste and secondary resources sectors.

Exclusive benefits for IWMSA Members

We provide you with opportunities to:

- network and exchange information with experts
- debate issues at events arranged by the various branches or interest groups
- have your voice heard in the formulation of legislation
- grow professionally and in business growth
- expand your waste management knowledge

We offer our members:

- access to conference papers and or presentations for WasteCon, Landfill, Branch events and reports in the member portal on our website
- legislation notices, publications, newsletters and much more.....
- access to the latest waste management technology, trends and legislation
- special rates at our IWMSA seminars, conferences and workshops

 - Your company logo is included in the email signature of all IWMSA correspondence from head office and branches.

Training: The IWMSA offers Accredited and IWMSA recognised training

Please note that should you have a group of more than ten people who require training, a concerted effort will be made to assist you with that training. We are keen to know what our member's training requirements are, so that we can provide you with the best available options for your specific needs.

Please visit www.iwmsa.co.za and click on training for more information or email Ann Oosthuizen on ann@iwmsa.co.za
