

Institute of  
Waste Management  
of Southern Africa

As you may know we have developed a mobile application that is available on both the Apple and iOS operation systems.

**Receive News flashes and information specific to the Waste Industry in one place!**

**In addition, you have access to event and training-specific content such as get all the latest events, workshops and training events for IWMSA. In the app you will find the event details info, programme, event related resources and have the ability to network with attendees.**

### **Why should you download the app:**

#### **Stay connected to our Social Feed:**

Keep up-to-date with all our social media accounts (Facebook and Twitter).

#### **Event Information:**

Updates on IWMSA's events and calendar.

#### **Attendee networking:**

Gain access to the attendee list for each event and exchange contact details.

#### **Exhibitors/ Sponsors / Partners:**

View the details and information of event exhibitors.

#### **PDFs:**

Access documents and presentations for download.

#### **Event Feedback:**

Provide us with your feedback on the events and training that you attend. This allows us to consistently improve our offering and the value we bring to all members.

#### **Push Notifications:**

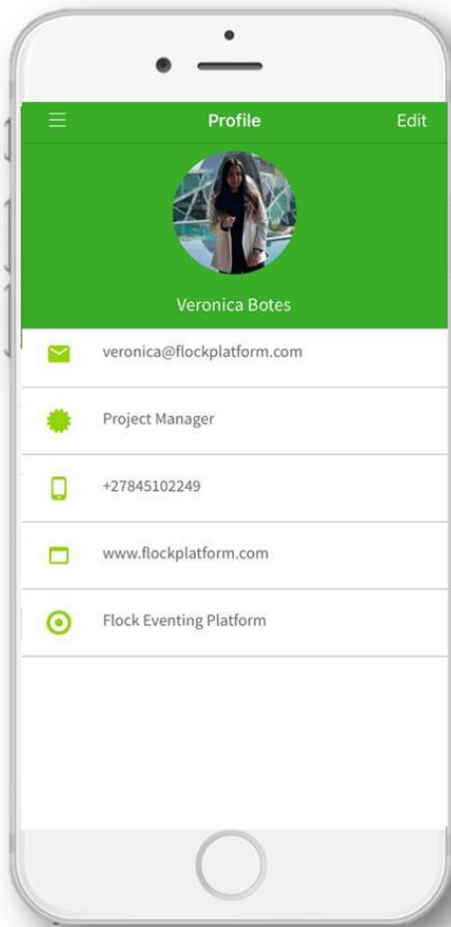

Receive frequent event updates

**Please follow the download links below:**

## BUILD YOUR PROFESSIONAL PROFILE

Once you have downloaded the app, you will have the opportunity to create your profile. This allows you to engage with other users on the platform and to share information during and after events.

### **IMPORTANT:**

In order for your information to appear and to receive notifications from us, please follow these steps:

1. Click on the home section, login with your details
2. Click on the 'IWMSA Members' icon and opt in with your information

*To make sure that you have the latest version of the IWMSA app, go to your app store and select 'update'.*
