Practitioner's Compilation Report

To IWM - Landfill & Waste Treatment Int Group

On the basis of information provided by the directors I have compiled, in accordance with the statement of International Standard on Related Services applicable to compilation engagements, the statement of financial position of IWM - Landfill & Waste Treatment Int Group at 30 June 2015 and statements of income and cash flows for the year then ended. The directors are responsible for these financial statements. I have not audited or reviewed these financial statements, and accordingly express no assurance thereon.

I draw attention to Note to the financial statements because the directors has elected not to capitalise the leases on plant and machinery which is a departure from the identified financial reporting framework. Insert additional text in respect of information requiring emphasis.
