

## Energy

Life Cycle Assessments of Energy Recovery from the Organic Fraction: Bio-Methane or Bio-Hydrogen, for Vehicle Fuel or for Electricity?  
Masilela, P.C. and von Blottnitz, H. .... 1

Nuclear Waste & Sustainability  
Campbell, A. .... No Paper

## Social Elements

Impact of Informal Private Sector in Integrated Solid Waste Management (ISWM) in Ibadan, Nigeria - A Developing Country  
Adewale, H.L. .... 9

Towards a Sustainable Incremental Waste Management System in Enkanini Informal Settlement  
von der Heyde, V., Haider, S., van der Merwe, R. and Mollatt, M. .... 16

## Integration

South Africa's Waste Research Development and Innovation Roadmap  
Godfrey, L. .... No Paper

e-Waste: Job Creation Potential in the Automotive Sector  
Croignard, R.C. and Anderson, K.A. .... 24

## Sustainability

The Importance of a Proper Waste Characterisation Study for the Development of Integrated Waste Management Plans for Local and District Municipalities – Case Studies of Stellenbosch, Central Karoo District Municipality and Kannaland Local Municipality  
Haider, S. .... No Paper

Geotechnical Application for Expanded Polystyrene Waste  
Donald, A.L. and Kalumba, D. .... 30

## Regulation

Guidance on the Regulatory Framework to Facilitate the Implementation of Alternative Waste Treatment Technologies  
Kissoon, S., Sango, T., Munganga, G. and Basson, L. .... 39

The Impacts of Regulation on Business in the Waste Sector: Evidence from the Western Cape  
Oelofse, S.H.H. and Mouton, C. .... 48

Understanding the South African Waste Sector: The Economic and Employment Opportunities it Provides  
Godfrey, L., Strydom, W., Muswema, A., Oelofse, S., Roman, H. and Mange, M. .... 55

The Evolution of the Regulatory Function of Waste Management Facilities within the Western Cape by the Department of Environmental Affairs and Development Planning  
McBain-Charles, L.D.C., Hanekom E.P. and Arendse G.M. .... 65

## Awareness

All Wired for E-Waste  
Anderson, K., Bushnell, S., Perry, J. and Janse van Rensburg, R. .... 72

The Case Study of an e-Waste Service Provider Alliance – How to Grow a Responsible e-Waste Collection and Treatment Service for Southern Africa  
Karcher, S.Y. .... 78

## Technology

Protection of Groundwater beneath Waste Containment Facilities: Possible Solution to the Diffusion of Volatile Organic Compounds through Composite Landfill Liners  
Pienaar, R.A. and Fourie, W. .... 85

Beyond the Well – The Landfill Gas to Electricity CDM  
Moodley, L., Parkin, J., Wright, M., Bailey, B. and Sobey, D. .... 95

## Management

Diverting Household Waste from Landfill: Best-Practice Separation-at-Source Recycling amongst some Western Cape Municipalities Tyrrell, H.R. ....	109
The Identification and Risk Evaluation of the Historic Landfills in the City of Cape Town Naudé, J.C., Davids, S.J. and Lindgren, A. ....	117
A Practical Approach to Address the Lack of Municipal Waste Management Quantification Systems at Municipal Waste Management Facilities, in the Western Cape Dryden, C., Hoon A.G., Hanekom, E. and Arendse, G.M. ....	124
Towards Sustainable Biogas Management, how does South Africa compare? Ladouce, M. A., de Bruyn A. and Waggie, F. ....	133

## Industry

The Development of Industry Waste Management Plans within the Consumer-Formulated Chemicals Sector: An Overview of Practical Experiences in the Western Cape, South Africa Mazana, X., Gilbert, G., Hoon, A.G., Hanekom, E. and Arendse, G.M. ....	147
Developing the Waste Economy in the Western Cape: Industry Status Quo and Challenges Munganga, G., Mali-Bolo, S., Sango, T., Kisooson, S., Barnes, K. and Basson, L. ....	153
Waste Characterisation and Recycling Potential in Stellenbosch Cronjé, C.M., du Plessis, R. and Mearns, K. ....	165

## Technical

Inversely Unstable – The Lining of Steep Landfill Slopes in South Africa Dookhi, A.S. ....	174
The Use of Geosynthetics in Mining Works Pries, J. and Westthus, S. ....	189
Rehabilitation of an Abandoned Open Cast Mined Area: From an Open Cast Pit to a Waste Disposal Facility - A Case Study Venter, A. and Senne, W. ....	195

## Alternatives

The Potential for Waste-to-Energy in the Western Cape: A 2040 Outlook Vice, M.A.P., Emery, R.C. and Mawer, B. ....	203
An Investigation of Waste Tyre Shreds as Reinforcement Material for Typical South African Sandy Soils Chebet F.C., Kalumba D. and Banzibaganye G. ....	214
The Required Innovation Drivers that are Necessary for Achieving NDP's Green Economy Targets Nontangna, M. ....	No Paper

## Economy

Development of the Waste Economy in the Western Cape: A Decision Support Tool for Integrated Municipal Waste Management Sango, T., Kisooson, S., Basson, L. and Munganga, G. ....	223
The Need for Practical, Effective CSI Lourens, B. ....	610
The Western Cape Industrial Symbiosis Programme (WISP): An Innovative Approach to Resource Efficiency and Waste Minimisation for South African Businesses O'Carroll, S., Wallace, J., Pineo, C., Basson, L., Woodcock, J., Daniel, R. and Mouton, C. ....	232
Advanced Integrated Solid Waste Management within South Africa – A Case Study Gower-Jackson, S., Whiteman, A. and Schwehn, E. ....	242

## Transition

Banning the Plastic Shopping Bag in South Africa – An Idea whose Time has come McLellan, H. ....	248
Household Recycling Incentives – Do they Work? Widdowson, S.J., Maunder, A. and Read, A.D. ....	256
Transaction Advisory and PPP Botha, A. ....	No Paper

Why is Municipal Waste Management Reform so Difficult? An Analysis of Dynamic and Social Complexities Coetzee, B., von Blottnitz, H. and Hamann, R. ....	264
<b>Beneficiation</b>	
Keep our Planet Clean: Morsjors, Litter Bug, Illegal Dumping and Littering – Team Up to Clean Up Venter, C. and Ludick, R. ....	274
